

One Year Pet Guarantee

You have paid for a companion pet only. You will have no breeding rights of any kind. You will have up to six months of the puppy's age to have him or her spayed or neutered. Within five days after the surgery, I must receive proof from your veterinarian that the surgery has occurred. If your puppy is not spayed or neutered by six months of age, this contract is completely voided. After I receive proof from your veterinarian, I will send you the registration papers. Failure to do this will void this contract completely.

Seller's Statement:

To the best of my knowledge, I am selling a healthy puppy. It will be deemed healthy by a licensed veterinarian before it leaves me. I will not be liable for any expenses, including veterinary bills or shipping. You (the purchaser) must take your puppy to a licensed veterinarian within four (4) working days of receiving the puppy. You must send me a copy of the veterinarian's examination within one day of the appointment. Failing to do so will void this entire health guarantee. If the puppy is deemed unhealthy by a licensed veterinarian, you must return the puppy immediately at your expense (within 72 hours) along with the licensed veterinarian's explanation to prove that the puppy has a defect or a life threatening genetic illness, which is not covered under this guarantee. At that time, I will replace the puppy with another puppy of equal value. There will be no replacement and no refund for a deceased puppy unless a full necropsy is performed which determined the cause of death. I must receive a copy of the necropsy report. I will not be liable for any expenses or veterinarian bills. I will not make any guarantees for the disposition, size, and color of the puppy, any kind of worm, coccidiosis, parvo, kennel cough, hypoglycemia or giardia. These parasites and viruses are all too common in puppies and can be contracted from soil, pet stores and many other places. This contract is non-transferrable.

Both parties agree that any legal disputes of this contract must be held in Fairbanks, Alaska.

Buyer's Statement:
